BRIAN'S REPORT

This is a team you can be proud of! They really dug deep and got some great things done in 2022. No doubt, the most noticeable was the opening of our new cottage area and new campsites. We got 33 new full hookup camp sites on new Ginkgo row completed and 20 new cottage sites on Oak road and 3 new cottages. Another huge, item or two was the continued improvement to site drainage and all the new WIFI towers. But there was much more: we also added three new water park additions, completed upgrades on F row electrical, implemented a new gate system, painted the pool building and resurfaced the roof, replaced the pool furnace and water softener, remodeled the Dollhouse bathroom and kitchen, completed Sunshine chimney stone repair, and completed over 1000 work orders throughout the resort.

Honestly, it is truly amazing how many people had a hand in getting all these things done in 2022. It was not easy. I'm super grateful for their efforts and hope you'll take the time to encourage our staff when ever you can. The economy is such a roller coaster ride, but let Waldenwoods be your peace and tranquility! We are working hard to keep this the gem in the center. A piece of "Up North" but just down the road!
