BRIAN'S REPORT

What an impressive summer this is turning out to be! Great weather! Fun activities! And such a beautiful place! All the new sites and cottages we brought live in 2022 & 2023 are still looking fantastic and have proven to be very popular. The second well has given us a solid source of water and our WiFi has been getting better and better.

With all these wonderful things, it's the people that make this place truly special. On that note, we would like to extend our heartfelt congratulations to Judy Rice, the deserving recipient of our 2022 Employee of the Year award. Judy has been with

us for 11 years and is a trusted and reliable leader in support of our banquet and Bellringer operations. Thank you for all your efforts to keep Waldenwoods' dining operations running smoothly through some challenging moments and extraordinary times.

We would like to remind everyone that we have recently installed Level 2 charging stations for electric vehicles (EVs). All members with EVs are required to register their vehicles and pay for any charging services provided at the resort. You have two options

available: either a daily site fee for each day your vehicle is on-site or utilize the Level 2 charging stations. For further assistance and to determine the option that best suits your needs, please coordinate with our ranger or member services at the time of check-in.

Lastly, we encourage you to invite your friends to visit Waldenwoods and participate in our tours. As part of our program, we offer incentives for letting who you believe should become our next Simply submit your referrals to sales@waldenwoods.com, and they will your referrals for the next two years. your support and appreciate your contribution to our community.
