BRIAN'S REPORT

July-August

2025

The big news this summer is the opening of our new **Lakeside Café, Parkstore - and Patio**. Located closer to the campground, it makes enjoying breakfast, lunch, dinner – and a scoop of ice cream in between – more convenient than ever. But to make it truly great, we need your regular support. Stop by often and bring friends! If I had to choose one thing that defines what makes Waldenwoods special, it's our people – both the members who return year after year and the dedicated team that keeps the resort thriving. We've built a community grounded in care, respect, and responsibility. Thank you all for playing a role in that.

I want to especially congratulate **Jeff Book-Antony**, our **2024 Employee of the Year!** Jeff has contributed tirelessly to the grounds team and is now taking on expanded responsibilities in gardens and landscaping. His work ethic and positive attitude are a gift to the resort – now if only we could clone him! Thank you, Jeff, and thanks to every staff member who helps preserve the unique charm and history of Waldenwoods.

For members with electric vehicles, we've now installed **Level 2 charging stations** for your convenience. All EVs must be registered, and charging services must be paid for at the time of use. To protect our infrastructure and prevent issues for other guests, **charging at campsites is not permitted**.

Finally, if you're enjoying the improvements at Waldenwoods, we encourage you to **refer friends and family**. Simply send their contact information to sales@waldenwoods.com. Any referrals you submit will remain credited to you for the next two years. Your support is essential to our continued growth.

Thank you for being part of the Waldenwoods community.

J. Robert's Favorite Quotes

January 21, 1922:

"How sweet, how passing sweet, is solitude; But grant me still a friend in my retreat, Whom I may whisper – O- solitude is Sweet."

- Cowper

J. Robert Crouse, the founder of Waldenwoods, was an avid reader and wanted us to share from his quote book. Enjoy!

HARTLAND AREA PROJECT

"Friendly Association for Community Service"

Help us...help others. Do you know a local outreach program or community program that needs help? We are always looking to reach out & help drive community service. Let us know about other programs that we can all work as a team to help provide leadership in the areas of health & welfare (W), education & culture (C), economic development (D). Contact the activities department by calling 810-632-5889 or email activities@waldenwoods.com. Please join us at the Family Fitness Center at 3pm on the 1st Friday of every month in our planning meeting where we will develop our plans for the coming year. It is through this project and our "Friendly Association" through Waldenwoods that we hope to have a big positive impact on Michigan and our local community. Waldenwoods cares about being a good citizen, and through the Hartland Area Project, we've continued to support the local community in achieving improved health and welfare, education and culture, and economic development. If all our members get involved with smile.amazon.com, it'll become a fantastic way to make a real difference in our community.
