BRIAN'S REPORT

JANUARY 20
FEBRUARY 26

Our mission at Waldenwoods is to "Improve our members' quality of life," and 2025 has been extraordinary. We have had some great times together and made some key improvements. Our overall customer satisfaction is still at 3.6/4.0 (from 2,392 feedbacks). We try to create a place and atmosphere that enables you to build family experiences and lifelong memories. Doing this requires that we listen and act upon your feedback. Ultimately, we must make investment decisions based on what adds the most value based on your feedback, through our feedback system in the Portal, and financial constraints of the budget. So, while everything can't get done overnight, we are constantly investing and improving Waldenwoods for you. Overall, our feedback demonstrates consistent improvement over the last 3 years moving from 3.4 to 3.5 to 3.6 with an increase in the number of feedback from 150 four years ago to almost 2148 in 2025. Thank you for utilizing this system as a primary method for getting your feedback to our management team.

I hope you'll agree that we also got a lot done in 2025. Some of our key accomplishments were building the Parkstore Lakeview Cafe's patio and seating, replaced Parkstore A/C unit, added additional Wi-Fi Towers and upgrade some Wi-Fi antennas in cottage and H-row, upgraded internet bandwidth, installed new basketball hoops, new Waldenwoods signs at front entry, new gate mechanism on entry, new pavement for Waldenwoods entry roads to campground and parking at Croumaine, revamp of gravel roads and campsites with commercial grading tools, new X-Mark Zero turn mower, new John Deere Gator, upgrade to lithium batteries in 2 golf carts – and the list goes on.

May your 2026 be a blessed year! We're so excited to see Waldenwoods bring quality of life enjoyment to you and your family all year long!

Brian C. Crouse,
President

HARTLAND AREA PROJECT

"Friendly Association for Community Service"

Help us...help others. Do you know a local outreach program or community program that needs help? We are always looking to reach out & help drive community service. Let us know about other programs that we can all work as a team to help provide leadership in the areas of health & welfare (W), education & culture (C), economic development (D). Contact the activities department by calling 810-632-5889 or email activities@waldenwoods.com. Please join us at the Family Fitness Center at 3pm on the 1st Friday of every month in our planning meeting where we will develop our plans for the coming year. It is through this project and our "Friendly Association" through Waldenwoods that we hope to have a big positive impact on Michigan and our local community. Waldenwoods cares about being a good citizen, and through the Hartland Area Project, we've continued to support the local community in achieving improved health and welfare, education and culture, and economic development. If all our members get involved with smile.amazon.com, it'll become a fantastic way to make a real difference in our community.

JANUARY - MENTOR MONTH

Right now, 1 in 3 youth are growing up without a mentor of any kind, yet we know that young people who have a mentor are much more likely to participate in after-school activities, be leaders in clubs and teams, volunteer, and go on to college. Your gift helps increase our country's capacity to provide quality mentoring relationships to more than 9 million young people who are still in need of a positive caring role model outside of their family. Help us close the mentoring gap in America by donating today. www.mentoring.org
